PHOTO DAYS 2020

Saturday the 1st and 8th of August

Wednesday 5th of August*

(*for those who train that evening, with the exception of a few teams)

The club will advise you of your allocated photo time

PHOTOS WILL TAKE PLACE INDOORS – @ the GYMEA COMMUNITY HALL

PHOTOS WILL GO AHEAD REGARDLESS OF THE WEATHER.

We've planned the schedule around your team's home game.

For those who train on a Wednesday evening (with the exception of a few teams) Your photo has been scheduled during your training session, so please remind parents/kids to wear their uniform that evening.

The schedule has taken a lot of planning this year to ensure all teams are spaced out to consider Covid safety, please consider all the teams we are accommodating before requesting a change to your photo time.

Please issue a Parent Information Form to each child in your team

Ask parents to complete and return to you with their payment *prior* to photo day. Please check carefully.

Player photo packs cannot be issued unless payment is correct and paperwork is complete.

1. Please ensure all players/parents are aware the photos will take place regardless of the weather.
2. Ask all players to arrive at least 10 minutes before their scheduled time.
3. Have all paperwork complete prior to your photo time. This is really important this year as we want to avoid congestion of coaches/managers/parents filling out paperwork outside the hall area.
4. WE are requesting that just coaches and managers line up with the children and parents wait to the side of the hall (or agreed meeting area with coach/manager to avoid congestion)
5. Hand sanitizer and tissues will be available upon entry and exit from the hall.

Please write all players' names on the "TEAM SUMMARY" sheet provided, along with the pack they have ordered. This is very important as it is our way of checking all players have been photographed, printed & collated correctly.

On photo day we will provide coaches/managers with a proof of the group photo. You will then be required to email Diamond Portraits with the Team Players/Coach and Managers names in the order that they appeared in the photo. We will provide you with more information on this at the time the group photo is taken.

Thank you in advance for your assistance on photo day.

Kind Regards,

Cathy Tiddy
